OUR PURPOSE

The Pennsylvania Association of Student Assistance Professionals (PASAP) is a non-profit membership organization whose mission is to address the well being of our youth. We believe that the health of our youth is the basis of our future.

We recognize that there are life issues and detrimental influences that may pose a barrier to student achievement and success such as: grief or loss; peer, family, or mental health issues; tobacco, alcohol or other drug use; etc. As a result of this recognition and our dedication to the health and wellness of our youth, PASAP is committed to supporting and networking in the areas of prevention, intervention, treatment, aftercare, ongoing support services, and education to all those individuals or organizations who foster this same commitment.

OUR GOALS

- To provide a state forum for sharing resources, common needs, experiences and outcomes
- To promote the establishment of interdisciplinary approaches to student assistance programming
- To promote the development of joint school/community programs for youth
- To promote and provide leadership and training at national, state, and local levels
- To advocate for increased local, state, and federal support for student assistance programs, treatment services, and personnel in both public and private sectors

MEMBERSHIP BENEFITS

PASAP provides members with a number of educational tools and networking forums including:

- PASAP news updates with information on current issues impacting the student assistance field
